

The Daisy

Edition 2. Feb 2018

Welcome to the Daisy

This is the second edition of the newsletter of Run To The Fun 4.

We hope all of you had a great Christmas and have had a great start to the new term, thanks to those who have booked onto Run To the Fun, everything is now coming together but we still need your help to shape the event.

Consultation Meeting

We will be having an consultation meeting on Sunday 5 March 2018 at Halberton Scout Headquarters, Greenway, Halberton, EX16 7AE, refreshments are from 1330 and the meeting starts at 1400, see you all there, this is your opportunity to help us shape the camp, we will be discussing The Beaver and Fun Adventure day as well.

Activities

We have been busy booking lots of activities, including a giant airbag! We are planning to split the camp into 5 subcamps and each sub amp will take part in an activity each day, however we understand flexibility is needed so is will not be in tablets of stone and participants may be able to swap activities subject to numbers.

Splash

Splash is water activities including, Dragon Boating, Rafting & Kayaking, we are looking at you building your own Coracles and then see if they float and race them.

Monopoly

Monopoly will be a days adventure in Exeter going to the places the public are not normally allowed.

Onsite Activities

We will be having activities in the surrounding forestry with the forestry commission Including using the BMX Tracks that we are told are some of the best in the country, but you can judge that. If bringing your own bikes please ensure you have the correct safety equipment for POR. Are you up for the leap onto the "Air Bag" from 10m high!!!

Bookings

We have over 30 groups who have told us they are attending and starting to pay deposits and giving us the details, we know there are many more who are planning on attending. I thought I would just clear up a few things, the booking will remain open till a month before the event, however the late ones may not get all the goodies and some will take a few months to sort.

"Register. Book. Pay." A helpful guide to booking in participants for Run To The Fun 4. We suspect most groups are currently at 2. BOOK at the moment; it's time to start putting names to numbers! If you haven't already done so feel free to register your group, there still is space. On the deposits front, the first one is coming up - for more details please visit <http://www.runtothefun.org.uk/bookings/> - of course, if you place new bookings after this any money due before will be expected shortly after bookings. Hope that helps!

BOOKING A Helpful Guide

1. REGISTER

Create an account, and give an estimate number of young people that'll be coming

2. BOOK

Input the leaders' and participants' names and emails, it's all you need!

3. PAY

We accept BACS or Cheque, please follow the instructions on the 'Payments' page.

Entertainment Team

The entertainment team have been busy visiting a number of performers who want to perform on the stage and after a couple on last camp we are making sure they are suitable.

We can confirm we have managed to negotiated the return of "Rams Rage" the group from Bradnitch Scout Group. They will be working with Scout Radio who were one of the first activities that booked themselves onto the event, this time they want more young people involved with the radio station, watch this space to find out how you can be on the radio or work behind the senses.

Information Centre

Pop in for a cuppa and we'll provide you with all the information you need to make your RTTF4 experience the best it can be. As well as providing you with all the useful information such as when and where the activities are happening, you'll also be able to swap and obtain spare activity tickets, swap those miss fitting t-shirts and take part in our daily competition. We really are going to be "THE PLACE TO BE SEEN ", so see you there.

Infrastructure

The Infrastructure team will be on site throughout Jamboree week overseeing facilities, ensuring everything runs smoothly. From Daisy's 5 sub camps, Stage Entertainment and Activities through to the Global Village, providing clean and comfortable WC's and Showers and Eco friendly recycling points across the site."

Go Global

The Global Village aims to give you a taste of the activities from International Jamborees around the world. We will give you a little taste of Finland in our hammock chill out area and sauna tent. Bring your towel and swim wear and relax. From there travel to Denmark and bury yourself in our mountain of lego. Using this our "Building the future," activity will let your scouts create a futuristic city.

From Sweden, we borrow an activity looking at the impact of climate change. While you are here write a message for peace on a leaf on our Jamboree tree or carve a soap stone woggle and support the Hamboree Kenya projects.

Finally, you can use our green screen area to create your very own world journey.

Our International café will help you to build your own pizza to cook in our wood burning pizza ovens or you can try our dish of the day, a feast inspired by one of the counties we have visited. You may like to stay closer to home with a hot pasty or relax and meet your friends to share a coffee. There will be an area for leaders to relax, take part in activities or top up your leader training with international workshops.

Wanted List

Can you help?

Lego

We are looking for getting hold of an amount of Lego for Activities and The Beaver and Cub Adventure day, anybody have any spare we can have? We all like LEGO, leaders will get a go as well! give us a shout if you can help.

Sub-camps

Daisy the Run To The Fun cow would like to introduce you to the herd of sub-camp cows.

Each sub camp will be represented by a colour and have their own cow mascot. These ladies will be seen around the camp and will race on lady's day. Daisy will be there to represent the staff team. Which of our lovely ladies will win?

The Herd

Daisy is the chief cow, she loves adventure and getting the herd out and about. Steadfast and reliable Daisy is the girl who gets the job done. Just like our staff team she works hard and enjoys the rewards.

Buttercup (yellow) is gentle cow who approaches every task with a calm head. She takes everything in her stride and is always ready to lend a hand. She is always there to support her friends and is looking forward to making lots of new friends in Buttercup sub-camp.

Clover (green) is the sensible one. She will solve any problem using her insight and intellect. She applies these skills to every task and always see a challenge through to the end. Have you got what it takes to join Clover's herd?

Rosie (pink) is a cheerful cow. She brings a smile to every situation and is always ready to lend a hand. Rosie's crew will be the cheerful gang, see them around the camp – you know it them from their smiles.

Bluebell (blue) is the adventurous cow, always looking for a challenge she is the first in the que for new experiences and there will be lots of them at RTTF4. Campers in the bluebell herd will be the loudest of them all.

Violet (purple) The Explorer Cow is happy, cheerful and ready to go. She takes the adventure to the next level by staying up later and taking part in more activities than ever before. At the end of each day she heads back to her pastures but may graze a little longer before turning in.
